

New South Wales - Graduate Programme

AT MOORE AUSTRALIA, YOU ARE MOORE IMPORTANT

MOORE AUSTRALIA NSW GRADUATE PROGRAM IS A FULL-TIME POSITION WITH A NATIONAL ORGANISATION WITH A GLOBAL REACH.

Our graduate program is designed to provide applicants with real world experience in multiple financial service fields, giving them the best support to start their career.

Moore Australia NSW work with small and medium enterprises, large private company groups, not for profit entities, subsidiaries of international businesses, publicly listed companies and high net worth individuals. Our clients include market leaders in many sectors of Australian business.

Moore Australia NSW listen to our team members needs and guide them in developing their professional careers from day one.

- For our incoming graduates your first few weeks will consist of you getting to know your colleagues, we work with the buddy system, so you have direct access to senior team members and partners from your first day. Our open-door policy gives you direct access to partners when you need.
- Graduates get hands-on experience with client work from the start (Other firms will limit their involvement in real client matters).
- You will be a part of a diverse and inclusive workplace where you will be given the opportunity to develop your skills for the future.
- With a culture founded upon passionate values you will find yourself surrounded by like-minded friendly people who are happy to help.

- You will join our National Induction 3-day training with graduates from all over Australia attending.
- With our flexi-time arrangements in place our core hours are between 9am and 5pm and our standard work week is 37.5 hours. We also have working from home flexibility available subject to business needs and team arrangements.
- We think outside the box and value any new ideas you can bring to us to help us succeed. We are IT savvy and support thoughtful technology ideas.
- For our incoming graduates, we support them through their Chartered Accountants program, offering extra study support and mentoring opportunities.
- We also provide monthly CAANZ technical training and soft skill training via our GO1 platform.
- Full financial support is offered by Moore Australia (NSW) for graduates to undertake CA studies. Additional paid leave for study and sitting exams is provided, up to four days per module.
- Secondment opportunity are available as we are a member of Moore Global, we have a global network of offices both internationally and domestically – over 600 offices in 108 countries. Following successful completion of the CA program, graduates may have the opportunity to work with another office within our network.
- Moore Australia (NSW) has a preference to recruit and promote from within wherever possible this gives every team member the opportunity to grow within our network.
- Moore Australia (NSW) has 2 offices, one in the CBD and the other at Burwood close to public transport.
