

MOORE AUSTRALIA

GRANT ALERT

Modern manufacturing initiative – manufacturing collaboration stream.

GRANT SUMMARY

The Australian Government is offering co-funded grants up to \$200m to encourage business investment in major manufacturing projects.

International investors, businesses and researchers are invited to partner with Australian organisations under the program.

The funding will focus on Australia's six National Manufacturing Priorities:

- Defence
- Food and Beverage
- Medical Products
- Recycling and Clean Energy
- Resources Technology and Critical Minerals Processing
- Space

KEY INFORMATION

The grant will fund up to one third of eligible project expenditure.

- The minimum grant is \$20 million.
- The maximum grant is \$200 million.

Open date: 11 August 2021

Close date: 9 September 2021.

ELIGIBLE ACTIVITIES

The grant will support collaborative projects involving businesses and other organisations working together, drawing on each other's strengths and complementary capabilities to deliver joint projects. Eligible activities may include:

- Constructing, establishing, and fitting out new manufacturing facilities, buildings, or hubs.
- Transforming existing manufacturing facilities through modifications or refits where this will support high value-added manufacturing activities.
- Design, branding, distribution and after sales services.
- Proof of concept activities and the commercialisation of research and development outcomes.
