

Mathew Free

Director – SME Taxation and Business Specialist

Professional Background:

Matthew is a Partner in the Business Services with a focus on taxation and business advisory services for small and medium sized enterprises (SMEs).

A member of the Institute of Chartered Accountants, Matthew is proactive in his dealings with his clients and is always conscious of adding value to their businesses at every meeting, and being their trusted business adviser. Many of his clients are now third-generation clients of the practice.

Quite knowledgeable about SME taxation and business practices, Matthew specialises in helping newsagents, retailers, and the construction industry achieve their goals in business.

Matthew has assisted his clients to enhance their business through tailored strategic advice as well as arranged for the setup of self-managed super funds and cloud accounting software, financial analysis and business direction.
