ABOUT THIS GUIDE

This Financial Services Guide (FSG) is issued with the authority of Moore Australia Financial Services (QLD/NNSW) Pty Ltd or referred to as “us” or “we”. This FSG is designed to assist you in determining whether to use any of the services offered by us and/or our authorized representatives. This guide is only complete when you also have Part Two “Authorized Representative Profile”.

This guide contains important information about:

- who we are

- privacy (i.e. collection and handling of your personal information)

This guide must be accompanied by an Advisor Profile which outlines your advisor’s skills, qualifications and the services they are authorised to provide.

LACK OF INDEPENDENCE STATEMENT

Under recently introduced legislation we are unable to use the words Independent, unbiased or impartial as, like a vast number of Advice Firms we have elected to receive commissions from the Insurance companies when arranging insurance, as opposed to charging fees to clients for this service.

Your advisor will provide you with an advisor profile, which, along with this FSG, provides the information necessary for you to make an informed decision. Your advisor will be acting as a representative of Moore Australia Financial Services (QLD/NNSW) Pty Ltd, and we are therefore responsible for the financial services and advice as set out in this FSG that your advisor provides to you.

WE CAN PROVIDE YOU WITH ADVICE ON THE FOLLOWING SERVICES

It is especially important that you are aware that the range of products that our representatives are authorised to offer you is limited to an Approved Product List (APL) established by approved independent

research and endorsed by an internal research team.

COMMUNICATION

HOW DO YOU COMMUNICATE INFORMATION TO US?

It is preferable that information is provided in a way that gives us a clear and substantiated basis for mutual understanding of your circumstances, needs and preferences. This can include copies of documents and written communications in emails or other online systems that we will give you information about when required.

INFORMATION YOU WILL RECEIVE

If we provide you with personal financial advice, we will confirm our recommendations in writing so that you can make an informed decision about the appropriateness and suitability of our advice. Our recommendations are usually given to you in a written SoA. Subsequent advice on recommended actions may be provided in a written Record of Advice (RoA).

Where we recommend a particular financial product, we will provide a Product Disclosure Statement (PDS), which contains specific and important information about that product. It is especially important for you to read and understand any PDS that we provide you before you act on a financial product recommendation.

In most cases personal advice will be provided, however if you do not require personal advice, general advice is available.

We can also act without providing financial advice on your specific instructions to transact on your behalf and place a financial product, that we are able to offer. We can act on your instructions whether you provide them by telephone, email or other means of communication agreed to.

FEES AND PAYMENTS

REMUNERATION AND BENEFITS

Our fee schedule is structured to ensure that you only pay for services as they are agreed to be implemented.

The basis and amount of any initial fees, commissions, on-going advisor service fees and any referral fees will be fully disclosed in your SoA or RoA and explained by your advisor prior to the implementation of any advice. An explanation of the fees and charges of the product provider will also be outlined in the relevant PDS.

INITIAL UPFRONT FEES

Before providing advice or service, your advisor may charge you an upfront fee for services based on either:

- Time spent developing advice or implementing services
- A fixed dollar amount
- A percentage of funds invested, or
- A combination of these methods.

These fees will be disclosed before service is provided to you and you will need to agree to our terms of engagement.

ADVISOR ONGOING SERVICE FEE

When you elect to have ongoing advice, you will be charged a fee, which will be disclosed to you at the time of making the arrangement.

INSURANCE COMMISSIONS

Commissions on insurance products are based on a percentage of the premium, which is an industry standard practice.

REFERRALS

If you have been referred to your advisor by a third party, (e.g. accountant) the third party may receive a fee, commission, or other benefit for the referral. This fee comes out of the fees received by us and your advisor and does not represent an additional cost to you.

ALTERNATIVE REMUNERATION

If we or your advisor receive alternative remuneration such as entertainment and gifts from financial institutions, in accordance with the Industry Code of Practice, we and our advisor maintain a register of material alternative remuneration paid and received.

Copies of these registers are available on request.

POST FSG NOTIFICATION BENEFIT

There will be occasions when a benefit cannot be ascertained at the time of issue of the FSG and in those cases once we do ascertain the amount or nature of a benefit to us, we will inform you as soon as practical.

The SoA will detail fees, commissions or benefits that relate to your specific matter.
